

Do YOU have

access?

As part of our mission and commitment to providing high-level product support and service, Davisware has created the **Knowledge Base (KB)** – a 24/7 online support resource enabling you to query our database of information to find the answer and resolution to any support-related concern(s).

The KB includes:

- Release Notes
- Training Videos
- Process & Procedure Manuals
- ... *and more!*

DON'T HAVE ACCESS?
YOU SHOULD.

To request login credentials, simply contact:
knowledgebase@davisware.com

Please include:

- *First/last name*
- *Company*
- *Title*
- *Email*

A member of Team Davisware will reply with your login credentials right away.

Your Technology Partner for Success.
